Course Description

7th Grade General Music is an Allied Arts course at Marie Murphy School that meets daily during either 8th or 9th period. In this course, students will focus on learning about music's role in today's society. Students will also learn about music notation, composition, film scores, musical theatre, world drumming, and guitar.

Class Expectations

- Students are expected to be respectful—to each other, to the teacher, and to the materials and technology that we use in the music classroom.
- Students are expected to be responsible. Students should arrive in class with all of the required materials. Tardiness disrupts learning for the entire class. Repeated tardiness may result in disciplinary action. Students who are late for legitimate reasons should come to class with a signed pass.
- No food or drink other than bottled water (with a lid) are permitted in the music room. Furthermore, all bottled water should be kept on the floor and away from laptops and iMacs.

Required Materials

Students are expected to bring the following materials to class every day:

- School laptop (charged)
- Allied Arts folder
- Pen/Pencil
- Ear Buds/Headphones
- DEAR book (Mondays)
